

## 4 - Double Melody Forward Roll

This roll has a Melody Note at the beginning AND end. Very easy to play and fit into nearly any situation, The Double Melody Forward Roll is a delight for beginners and pros. Due to the 1/4 note at the end of the measure, there is a bit of time to “think” and prepare for what’s coming next measure. Also, any finger can lead. Middle finger lead is a breeze with this roll.
